### ROLE OF THE ARCHITECTURAL REVIEW COMMITTEE (ARC)

The Declaration for Wellington (Article 9) provides that responsibility for the enforcement of design standards shall be exercised through the ARC, the members of which shall be appointed by the Board of Directors of the Wellington Community Association. The Association is also responsible for the administration and enforcement of all covenants that are applicable to homeowners, including Governing Documents and Design Standards, and Guidelines.

The primary responsibility of the Architectural Review Committee is very broadly defined as follows (Article 9, Section 9.1 of the Declaration):

“... to assure that the Property shall always be maintained in a manner: (i) providing for visual harmony and soundness of repair; (ii) avoiding activities deleterious to the aesthetic or property values of the Property; and (iii) promoting the general welfare and safety of the owners, such owners' tenants and such owners' (or tenants') households or companies, guests, employees, customers, agents and invitees.”

The ARC is to consist of three or more persons appointed by the Board of Directors.

I have read the above “Role of the Architectural Review Committee” and if appointed as a committee member I agree to abide by the role as stated.
