Candidate's Name: Elie Azar

Address: [redacted] Acer Lane

Telephone: (Day): [redacted] Evening: [redacted] e-mail eazman52@gmail.com

Biographical Information: I moved to Wellington four and half years ago. With its clubhouse and pool visible from the street, Wellington caught my eye from the moment I saw it for the first time after I moved to Virginia from California nine years ago. I followed the job. I currently work for Lockheed Martin on a contract at NOVEC, the electric company. I am an IT project manager. I have worked in the high tech field for the past thirty years. I hold a Master's degree in engineering and one in Mathematics.

Reasons for Wishing to Serve on the Board: I've always been involved, over the years, with various community based endeavors; such as church, school, scouting, HOA, etc. And now I serve on the ARC, and would like to offer my help to our BOD in accomplishing some of the goals that our community would like to see done. I served on an HOA board in the past, as part of my community involvement, and to help my neighbors in maintaining a nice neighborhood, and preserving the standard of living that we enjoyed. And that's what I will strive to accomplish here at Wellington.

Issues of Particular Interest: _____

After the recent events relating to the BOD, we can all help bring back a spirit of cooperation for the betterment of our community. We need to work on bringing back some transparency lost lately, and work on setting up processes to eliminate improprieties, and avoid even the appearance of impropriety. Other community issues I would like to see resolved, relate to parking in certain areas, safety issues as we've see some security and safety incidents lately, and overcrowding in certain units.
