Biographical Information:

I have lived in the condo section for just over a year. I have held positions on professional board of directors (BOD), Home Owners, & a community BOD which all have their own unique issues. I am an experienced (elder) person, who brings life experiences.

Reasons for Wishing to Serve on the Board: The condo section, while having its own BOD, which I am also working with, pays dues to the Overall HOA; and as such should have a voice in how monies are used, as well as how the overall community appears. Also, I don't know many friends with people in the Home Owners section, so I will be unbiased and neutral - with only concerns for the community.

Issues of Particular Interest:

I feel the board just needs to have some new blood. I want to continue to see the activities/facilities without an increase in HOA dues
