

Is it time for your annual mammogram?

Novant Health UVA Health System mobile coach program

Did you know annual mammograms are recommended for women 40 and up? Most insurance plans cover a screening mammogram at 100 percent. We can also direct you to financial assistance options if you do not have coverage.

Take time to focus on your health by making an appointment today on the Novant Health UVA Health System mobile coach.

**Saturday, Dec. 8
10 a.m. to 3 p.m.**

**Wellington Community Association
9700 Wellington Road
Manassas, VA 20110**

**To make your appointment, contact our scheduling department at 703-369-8073, option 3.
Registration required.**
